Monthly Message from our EQ President

Brothers, many of you are carrying heavy loads. Work, family responsibilities, and quiet personal challenges often stretch us thin. The Lord sees that effort. This message is a reminder that progress in discipleship is built through small, steady steps. Small acts of faith matter. Small acts of service matter. The Savior does not ask for perfection. He values consistency, willingness, and honest effort over time.

The Lord offers this reassurance: “Fear thou not; for I am with thee... I will strengthen thee; yea, I will help thee” (Isaiah 41:10). As we lean on that promise, we invite each brother to stay engaged in the work of the quorum in the ways available to you. That may be offering a prayer, checking in on another brother, accepting an assignment, or simply being present. Every contribution matters. If all you can offer right now is a small step, that is enough. Keep engaging. Keep showing up. The Lord honors steady effort, and He magnifies even the smallest acts done with faith.

Preparedness Corner – February Focus: Small Steps, Strong Families

Preparedness doesn't have to be complicated. This month, we're encouraging every household to take one simple step toward greater readiness.

1. Review your 72 hour kit

Check water, food, flashlights, medications, and basic supplies. Add one missing item this week.

2. Do a quick home safety check

Test smoke alarms, locate fire extinguishers, and make sure you know where your gas and water shutoffs are.

3. Strengthen spiritual preparedness

A short family prayer or scripture study on preparedness can bring peace and confidence.

Monthly Challenge:

Choose one action - update your kit, create a communication plan, or identify your shutoff valves—and complete it before the month ends.

Small steps build steady confidence.

EQ Lesson 1/25 – And Now I See

Instructor: Brother Greg Dysart **Talk:** [Know Who You Really Are - Brik V. Eyre](#)

“Regardless of where we are on our path of discipleship, our lives will fundamentally change if we better understand who we really are.”

Greg led a discussion on understanding our divine nature as outlined by Elder Eyre. We focused on how prayer, communing with God, is important. There was great discussion on the quality of our prayer; yet, we circled back to all prayer being good, even prayers that are uttered quickly.

EQ Lesson 2/8 – Ward Conference

Instructors: Brother Amp Kommavongsa and President John Millard

During Ward conference, Brother Kommavongsa spoke about the [Proclamation on the Family](#). President Millard expounded on this, spoke about relationships, specifically about our spousal relationship, and how we can strengthen those relationships.
